

Daily Log SOP

Scope:	This SOP outlines the information that needs to be captured in a Daily Log at the end of a working day. The purpose is to establish a standardized method to ensure consistency, efficiency, and transparency in project execution.
Why:	1. Maintain good documentation and accountability. 2. Ensure quality control. 3. Enhance communication and collaboration. 4. Serve as valuable evidence in dispute resolution. 5. Improve project monitoring and decision-making. 6. Increase knowledge retention for future projects. 7. Provide the means to train new team members.
User:	The Daily Log is to be completed by the Field Leader.
